I'm a UX Designer with a background in Marketing. Leveraging a creative and business mindset, I seek to create joyful yet impactful digital solutions that not only bring value to users and businesses, but also empower them to do better. With my enthusiasm for **visual design**, **user research**, and **web development**, I strive to bring the detail of design with the awareness of the larger business picture to bridge both user and business.

Guusto Gifts

Currently improving the website and product experience at a startup in the employee recognition space. Redesigning and developing using HTML/CSS/JS and Bootstrap.

WEB DESIGN & BRANDING FREELANCER

Dec 2018 – Present

Freelance

Enhanced web presences for clients through conceptualizing and developing new websites, refining existing ones, and creating a new brand identity. Developed websites in HTML/CSS/JS, Bootstrap, WordPress, and Shopify. Clients include small businesses and organizations in the social impact space, namely Knack Academics, National Social Value Fund, Pia Wood, and RADIUS SFU.

DESIGN INTERN

May 2018 – Sept 2018

Railyard Lab, Dossier Creative

Worked alongside an intern team within the agency, Dossier Creative, to create new brand identities for three clients in the social impact space, namely Mission Possible, RADIUS SFU, and refresh. Analyzed the brand to produce a cohesive brand strategy as well as a variety of digital and print assets, including a WordPress website, brand guidelines, business cards, and printed material. As well, acted as a point of communication between client and the intern team.

COMMUNICATIONS & MARKETING ASSISTANT

Sept 2016 – Sept 2017

International Co-op Office, Simon Fraser University

Promoted international internships and inspired students to work abroad through creating visual, video media, as well as written content for weekly emails and social media. Beyond promotional marketing, also spearheaded contests to engage with students who were or have been on an International Co-op; improved information accessibility on the International Co-op website; as well as mined data and developed a survey to support future promotional efforts.
